To finalize this course successfully:

Option 1:

all (four) control tests and Final test should be passed.
Test results are graded as passed if there was 50% of tasks are done right. In the file with total scores you have links to the tests which you need to resubmit

				Total Score					
Test 1 link	Test 2 link	Test 3 link	Test 4 link	PR1	PR2	PR3	PR4	PR5	Final test link
				Recommended deadline 29/12/2024 23:59 (GMT +8 Beijing time).					
			Test 4	Practice 1					Final test
Test 1	Test 2	Test 3							

Control tests links:
Final test: Principles of Circuit - 2024 - Final Test — Yandex Forms
Test 1:   Principles of Circuit - 2024 - Control Test 1 — Yandex Forms
Test 2:   Principles of Circuit - 2024 - Control Test 2 — Yandex Forms
Test 3:   Principles of Circuit - 2024 - Control Test 3 — Yandex Forms
Test 4:   Principles of Circuit - 2024 - Control Test 4 — Yandex Forms

Option 2:

Control tests now have preliminary chec

Practice works reports will be accepted in two cases:
1) All test are passed but the score is less than 60
2) You never attempted to submit this practice before (this is yours the first but late submission)

Practice task links
Practice 1: Principles of Circuit - 2024 - Practice 1 — Yandex Forms
Practice 2: Principles of Circuit - 2024 - Practice 2 — Yandex Forms
Practice 3: Principles of Circuit - 2024 - Practice 3 — Yandex Forms
Practice 4: Principles of Circuit - 2024 - Practice 4 — Yandex Forms
Practice 5: Principles of Circuit - 2024 - Practice 5 — Yandex Forms

Laboratory work reports resubmission will be considered only if **all practice and test are passed** but the **score is less that 60.**
In that particular case, you may ask Nikolai Poliakov for the private link for late submission.
